1. New accounts generally require 1 week minimum to be approved after we have mailed our Credit Letters to your References. Customers may order C.O.D. shipments before that, with a Confirming Order. Credit Letters can be Faxed if you provide the FAX numbers, to speed up the process. Either way, we cannot control how soon we receive responses. Applications must be **COMPLETELY** filled out to be processed.
2. No orders will be shipped to a new customer without a Confirming Order, not even C.O.D.'s.
3. No special tooling will be started for a new customer without a Confirming Order.
4. No special material will be ordered for a new customer without a Confirming Order.
5. No special-size blanks will be burned out of our material for a new customer without a confirming Order.
6. If an incorrect Confirming Order is received, a corrected one must be received to proceed.
7. If a new account is approved, PRESCOR's terms are Net 30 Days.
